Please find below and/or attached an Office communication concerning this application or proceeding.

## DETAILED ACTION

### *Response to Amendment*

The reply filed on 07/05/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The Abstract must be on a separate sheet. In the remarks section one can indicate by striking through those portions that applicant is removing from the Abstract and underlining those portions that applicant is presently inserting.

In the claims, please underline those portions that applicant is presently inserting into any claim. For example, in claim 2, applicant is presently adding "that is downloaded from the communicant's internet web site,".

The claim should look like, The system...codes that is downloaded from the communicant's internet web site...will be activated. That is, do not circle the claim language, but underline it. In addition, applicant must point out in the specification where such claim language can be found.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
